3. Supplies

- College ruled composition book, one per semester, for notes *and* assignments.
- three-ring binder for lab printouts, handouts, etc.
- USB “flash” drive for practice and labs

4. Grading

- 70% of the grade will be based on periodic assessments (quizzes and tests)
- 15% of the grade will be based on homework, miscellaneous class assignments, and class participation
- **class participation** includes adherence to school policies: no big backpacks in class, visible ID, uniform (*especially*: no hoodies, collared shirt visible), being on time, etc, and positive classroom behavior. ⇐
- 15% of the grade will be based on labs executed on the computer

5. Late homework & labs, make-ups

- Unexcused late homework or labs will receive half credit
- Homework or labs will receive *no credit* after the test covering that homework.
- School policy regarding make-up work applies.
- *Note: If a student is away from class on a school activity, he/she will be expected to have any previously-assigned work from the missing period ready upon return from the activity.* ⇐
- Each student is responsible for scheduling his/her own make-up quiz and test sittings with me. *I will neither remind nor pursue the student.* ⇐

6. Hall passes

- Each student receives 8 personalized “pink passes” per semester. These will be issued as appropriate during the semester. When these run out, no additional hall passes will be given.

7. District policy regarding AP and IB classes

- TULSA PUBLIC SCHOOLS Regulation 3311-R
ADVANCED PLACEMENT AND INTERNATIONAL BACCALAUREATE COURSE-
WORK

Tulsa Public Schools students who enroll in courses provided through the College Boards Advanced Placement (AP) program or the International Baccalaureate (IB) Organizations IB program must take the associated examinations for those courses when eligible. Students and parents/guardians shall be notified by the schools of this requirement through related published materials and course selection procedures.

Students who decline to sit for these examinations forfeit the weighted grade eligibility for the courses taken. There is no minimum or passing score required on any examination to qualify for a weighted grade.

Registrars shall remove from a student’s GPA weighted grade calculation the weighting of any AP or IB course for which no examination registration exists.

Counselors shall make available information regarding examination fee reductions and/or waivers for eligible students/families as authorized by the examining agencies and/or the Oklahoma State Department of Education.
